

Congratulations last week's winner: Chloe, 4WD The correct answer was £210 and £10. Well done for all correct entries!

## Puzzle of the Week

WB 4.6.18

How can you add eight 8s to get the  
number 1 000?  
(You can only use addition!)

Entries on a piece of paper with your name and class into 'Puzzle of the Week' box, next to the lower street computer. Good luck!
