Dear Pupils & Staff

Thank you very much for your wonderful donation of £206.70.

On behalf of Big Ted and The Forever Friends Appeal, I am writing to thank you for taking part in Ted's Big Day Out and raising such a fabulous fundraising total! We hope you and your teddies had a fantastic day on Friday 18th October and enjoyed taking part in this year's theme, wear a wig or raise a hat. Many schools, businesses and community groups across Bath, Somerset and Wiltshire showed their support and truly raised their hats to Cancer Care.

All money raised on this day, including your donation, will go towards the RUH Cancer Care Campaign - to help build a pioneering new Cancer Centre for the Royal United Hospital. This new Centre will balance clinical expertise with the provision of a nurturing and therapeutic environment. It will create a highly beneficial healing environment, which will transform the care of our patients and their families.

Please find enclosed a certificate as a token of our appreciation and to show to everyone who helped raise this amount. With Big Ted already planning his next annual outing, Ted's Big Day Out! 2014, we do hope that you register for more teddy bear fun on **Friday 17th October 2014**. Thank you once again for all of your fundraising efforts; we could not achieve our goals without your wonderful support.

With many thanks and good wishes,

Jake Banks
Administration Assistant

Transforming care for patients & their families
