Dear Mrs Bull

Harvest Festival Donation

Thank you very much for the marvellous food donation and collection of £276.15 which the pupils, parents and staff at WASPS recently gave to Julian House, it's greatly appreciated.

Our newly refurbished emergency hostel is now able to accept more people, in particularly women, who would otherwise be forced to sleep on the streets. This is obviously wonderful news, as is the fact that it's now open 24 hours a day, 7 days a week 365 days a year. These very positive changes however need more resources and man hours to make sure we are doing our utmost to support very vulnerable people. Funding our projects is always a struggle, money that we don't have to spend on food can be used to fund new projects and support programmes which would otherwise not happen.

In addition our clients gain great comfort from seeing that local communities do care about their wellbeing. Sadly their experiences on the street are often quite the opposite.

Please pass on our sincere thanks to everyone who generously contributed towards this wonderful donation and for making me feel so welcome at your school last week.

Kind regards
