

Home School Agreement

The Local Education Authority has a duty to provide an education for all children of school age, but a child's education starts in the home and is continued as a partnership between home and school. This school is committed to co-operating with individual families and their children to provide the highest quality of education. This education will be based on a partnership of shared values and beliefs, will be challenging, engaging and will extend achievement from 4—11 years of age. Our aim is to develop confident young people, capable of independent learning, ready and willing to operate as responsible and effective members of the community and equipped for the challenges of the 21st Century.
