

YEAR GROUP COUNCIL MEETING
YEAR GROUP 3
DATE 1.4.14

Present: Mr Eaton, Mrs Nicholson (Parent),
Jack (3T) and Markos (3E)

Apologies: Mrs Raine

1. Actions from Last Meeting

No actions from the last meeting.

2. PTA Quiz Night feedback

A really good night, loved the teacher questions and a real leveller for the children. The children liked the food and the colouring. Jack wondered if there could be more choice of colouring pictures.

3. Cake and Plant sale

Ideas:

- Plants were in a really good space last year allowing room to browse.
- This year to help prevent too much congestion around the cake stalls we could have 3 identical tables labelled Y0-1, Y2-3, Y4-6. We could then ask parents from those year groups to man their particular stalls.
- Could have a mini-café in the café hall from 2.45-3.15 so that parents can buy a drink and have a slice of cake before the children come out. This will raise more money.
- Could have a 'plant a sunflower seed' stall – the children take the pots home afterwards. At the end of July children could measure their sunflowers with a prize for the tallest (authenticated by parents).

4. A.O.B.

Jack requested more notice when parents are being asked to get costumes.

Markos asked if children who have siblings cannot have multiple copies of school letters and magazines.

Head Teachers Response

Mrs Bull asked all teachers to take note of Jacks request.

Mrs Bulls reply to Markos' request; *'We get asked to distribute so many magazines we've decided to only take a certain number for pupils to collect from a designated box in the library if they wish.'*
