### Year Group Council Meeting

Year Group:	5
Date:	22/1/18
Venue:	5L
Time:	8:30
Present:	Emma Lowe, Henry (5L), Mrs Yeo (5L), Erin (5T), Dan (5G), Mrs Kupermann-Eagles (5G), Mrs Heath (5T)

### Agenda

1. General feedback on Y5 so far
2. Out-of-class learning
3. Constructive feedback on school-wide issues

### Outcomes / Actions

1. Parents and pupils very happy with Y5 teachers and their children's enjoyment of and attitudes towards school and their learning. All teachers seen as approachable and motivating pupils in a positive way.

Some parents very happy with amount of H/W on offer, others feel that there is not enough. **Action: All Y5 teachers to offer paper maths H/W to supplement weekly online maths H/W and spellings. All teachers to ensure pupils are encouraged to complete topic based research outside of school, especially CU pupils.**

Parents impressed with real-life links in Y5 topic work such as healthy living and dementia awareness.

Pupils really enjoying Y5 topics.

2. Pupils loving Scouts in particular. All out of class learning is valued and appreciated by parents and pupils- a great addition to the curriculum.
3. Parents and pupils both raised that school dinners are still too small.

**School response: This has been discussed in school council and the general consensus is that pupils are happy with the portion sizes.**

Parents feel that school activities are more geared towards parents who don't work and parents who do work find it hard to get involved.

**School response: We are offering PT interviews at a range of times before and after school, with teachers at school from 8-6 to accommodate working parents.**

Parents would like more sporting activities offered, even if these must be paid for, including sports teams for those with lower sporting abilities. They also suggest a multi-use sports court would be a good thing to raise money for.

**School response: We are currently raising money for the playground facilities.**

Parents would appreciate advance notice of the school's INSET days at the start of each year.

**School response: INSET days for this year were given before Christmas.**
