

# School Council minutes

Thursday 23rd November - 5G classroom 9.15-9.40

## 1. Behaviour Policy update and poster ideas

Some great ideas were shared by all children about some posters they would like to see around school. Year 4 are focussing their work next week on creating posters that will be written in a positive way.

All reps need to ask fellow classmates to create some 'rules' posters for around the school before the 4<sup>th</sup> January meeting.

Year 6 - We are quiet in the library

Year 5 - We play nicely together

Year 4 - We walk in the corridors and down the stairs

Year 3 - We hold doors open for each other

Year 2 - We eat with our knife and fork

Year 1 - We say please and thank you

## 2. Charities

The reps discussed other charities that have sent information to us over the last few weeks and discussed the WWF as a favoured charity to support over the festive celebrations.

Mrs Glanville to let Dr Bull know.

Reps need to remind classes to collect used stamps and bring them in so we can raise money for 'Dogs for the Blind'.

## 3. Christmas Fair

The Christmas fair was discussed and each child informed the group of what stall their class was in charge of.

Nothing further to action.

## 4. Football - Class reps reported back that their class have voted in favour of a FA Football contract to ensure everyone plays fairly at lunchtimes and break times.

Mrs Glanville is still awaiting a contract from the FA.

## 5. Next meeting - 29<sup>th</sup> November 2017 in 5R (please bring your folders)
