

School Council Meeting 27.09.18 – Minutes

Present: Mr Waldron, Felix 2H, Jacob 4H, Oonagh 5C, Camilla 5SD, Finn 5T, Daniel R 6W, 2H Juliet, Rupert 3W, Stanley 3T, Jess 3S, Olive 6B.

Agenda:

Choose a harvest charity:

Choices discussed were *send a cow*, *genesis food bank* and *water aid*. The children voted to choose **water aid** as their harvest based charity.

How to get other pupils ideas to school?

Children decided that each class should have an ideas box so that the pupils' ideas can be discussed as a group and the next school council meeting. These ideas should be sorted before they are brought to the next meeting.

What to do if classmates want to run a charity event?

The children and I discussed this and decided the best system would be for each school council representative to bring any requests to host these events to school council. School council will then decide if the event is realistically possible/appropriate and if so the request will **then** be sent to Mrs Bull.
