TEACHERS NAME:	Mrs Trim
FEEDBACK FROM TEACHER: How successful were the coaching sessions? What did the children learn during the coaching sessions? How has attending the sessions impacted on your own professional development?	The sessions have been fantastic. As Chris and Emily taught the class teachers were able to carry out assessments using the class tablets. The children have developed the essential skills in a variety of creative ways. Observing each session has improved my own teaching of PE especially the use of small apparatus and how to teach gymnastic skills such as forward rolls correctly.
