**PUPIL & TEACHER FEEDBACK**

ACTIVITY:	DANCE
<p><b>FEEDBACK FROM PUPILS:</b></p> <ol style="list-style-type: none"> <li>1. What have you learnt?</li> <li>2. What did you enjoy about the activity?</li> <li>3. Would you consider doing this sport in the future?</li> </ol>	<p>1. JN - That dancing can be so much fun and that dancing with someone else is great fun too.</p> <p>1. DA- I have learned that even if the skill doesn't come to you instantly then with lots of hard work you can get better and better.</p> <p>2. JN- I enjoyed the fact that there are so many different dances so that if there is one you're not keen on then you don't have to wait long to try a different one.</p> <p>2. DA - I enjoyed watching and learning from Joanna and also when our parents came in to watch us perform and when we performed in Dance Umbrella.</p> <p>3. JN- I'm not sure as it wasn't a sport I was the best at.</p> <p>3. DA - If they offer it at my secondary school I will feel more confident about doing it.</p>
<p><b>TEACHERS NAME:</b></p>	<p>Mr Snook</p>
<p><b>FEEDBACK FROM TEACHER:</b></p> <p>How successful were the coaching sessions?</p> <p>What did the children learn during the coaching sessions?</p> <p>How has attending the sessions impacted on your own professional development?</p>	<p>Very successful. Joanna is able to quickly teach children a wide range of individual and paired dances.</p> <p>The children learned at least ten different dances. The mixture of classic and modern styles kept all children interested and the music choices were lively and trendy.</p> <p>The sessions have benefitted me by seeing another side to many of the children within my class. I have been able to assess pupil's core strength and flexibility alongside their cooperation and team ethos.</p> <p>I have also used some of the dance sequences within other indoor PE sessions and assemblies.</p>

<b>ACTIVITY:</b>	<b>Outdoor Games</b>
<p><b>FEEDBACK FROM PUPILS:</b></p> <ol style="list-style-type: none"> <li>1. What have you learnt?</li> <li>2. What did you enjoy about the activity?</li> <li>3. Would you consider doing this sport in the future?</li> </ol>	<ol style="list-style-type: none"> <li>1. We learned about batting and bowling in cricket. We did street dance as well and learned how control our bodies to the beat within the music We played ultimate Frisbee and dodgeball</li> <li>2. Being at a different venue with a real sports coach. Being in a really large space and having the music playing loudly. Running out on the huge fields.</li> <li>3. I have looked with my mum at joining a local cricket club. I enjoyed it but don't see it as something that I'll keep doing. We have started playing dodgeball in our lessons at school as we all enjoyed it so much.</li> </ol>
<p><b>TEACHERS NAME:</b></p>	<p>Mr Haycock</p>
<p><b>FEEDBACK FROM TEACHER:</b></p> <p>How successful were the coaching sessions?</p> <p>What did the children learn during the coaching sessions?</p> <p>How has attending the sessions impacted on your own professional development?</p>	<p>The sessions were well organised and had clear pathways of learning that enabled the children to explore their capabilities in a secure and encouraging atmosphere.</p> <p>The children learned about body positioning, stepping off both feet and how to throw for power and accuracy.</p> <p>The impact on my own development has been to encourage me to use a wider range of ideas within my own sessions. I have already started using dodgeball as a warm up within some of my PE lessons.</p>
